Who Qualifies?

Individuals who are struggling with:

- Decreased ability to cope with change
- Inability to adjust to retirement
- Loss and grief
- Depressed mood
- Difficulty coping with health/physical changes
- Sleep or appetite changes
- Anger
- Feelings of hopelessness or helplessness
- Worry
- Anxiety, nervousness
- Isolation, loneliness or social withdrawal

We Provide:

- Group, individual and family counseling
- Transportation provided
- Noon meal served during group treatment day
- Coordinate the individual's care with their primary physician

Our Team:

- Board Certified Psychiatrist
- Program Director
- Registered Nurse
- Licensed Social Worker
- Unit Clerk/Transportation Coordinator

Each individual will receive treatment in an outpatient setting for three to five hours a day, usually two days per week.

Patient MUST have Medicare as primary insurance. You do not need a physician referral. Please call for more information. (812) 734-3815
