The Mobile Office is Harrison County Community Services newest service and has been in operation since April 2024. The Mobile Office is available to help get food out into the community – closer to where people live. The Mobile Office food pantry shelves are filled with all the same foods available as the Main Office, including commodities. There is even a refrigerator and freezer on board! They also have a small selection of clothing and any of their Direct Services also available. This means they can help you with utility bills or rent assistance right on location. Harrison County Community Services, Inc. provides many forms of crisis assistance to families and individuals in need.

\*Rent payments

\* Utility bills (gas, electric, sewer & water)

\* Budget Counseling and case management are provided as needed. HCCS can only provide crisis assistance once every six (6) months.

### **HOMELESS SHELTER LIST FOR KY AND IN**

- Louisville, KY has several shelters downtown that are a first come first serve bases. Once all beds are full then they close the door. They will not accept a phone request for a bed for an individual although they will confirm if beds are still available at time of call.
